DDA 77-0472

27 January 1977

MEMORANDUM FOR: [ ] CI Staff

FROM: Charles A. Bohrer, M.D.  
Director of Medical Services

SUBJECT: Research Proposal for Updating Counter-  
intelligence Techniques - Request for  
Review

25X1

1. As requested verbally on 21 January 1977, I have reviewed the above identified research proposal. I have also had the proposal reviewed by [ ] of this office. [ ] in my view, is particularly well qualified to undertake such a review because of his past assignment as Deputy Director, ORD/DDS&T. We both appreciate the opportunity to review this proposal.

2. While I believe there is ample evidence of my concern and involvement in this general area, I have serious reservations about this particular proposal. [ ] comments are attached for your review as well. The burden of action, however, rests principally with the CI Staff and the Security Office in defining mutual needs in this difficult area.
